

## **INFORMATION TECHNOLOGY TRAINING:**

### **2010-2011 INFORMATION TECHNOLOGY WEEK CELEBRATION**

The School of Informatics with the Information Technology students and faculty celebrated their IT Week on February 22-25, 2011 with the theme: "Building, Creating, Innovating the Future Through IT Education" through a series of seminars and workshops, including IT skills competition held at the Aldersgate College Audio Visual Room, ICDC Building and at the ICT Laboratory Rooms. Dr. Romeo M. Bicad, SI Dean delivered his Opening Remarks followed by an intermission number from selected BSIT Third Year students and the Message of the President, Dr. Junifen F. Gauuan. The seminar proper started in the afternoon. The first speaker who was introduced by Mr. Luther King A. Tambaoan, IT instructor was Mrs. Essel T. Cañaberal, a BSIT and MIT graduate and currently an Instructor of the School of Computing Science and Information Technology of Saint Mary's University in Bayombong, Nueva Vizcaya who talked on "Object Oriented Programming (Java.Net)." Day 2, February 23, 2011 was a continuation of the seminar with Ms. Dianne Rose Bangloy, another IT Instructor of Saint Mary's University who talked on "Current Trends in IT and IT Research and Development". In the afternoon session, our very own Mr. Rodell B. Balallo and Mr. Led Fender L. Montano, lectured on "Multi-Media Photo, Video and Animation. On Day 3, February 24, 2011, Mr. Pink Euria L. Montano, Computer Programmer and IT Instructor talked on "Wireless Computing and Control" in the morning session and in the afternoon, Mr. Sean Bracebridge of Saint Mary's University, discussed "Visual C#.NET". Day 4 in the morning session, Mrs. Essel T. Cañaberal lectured with a workshop after, "Computer Networking and Basic Configuration" followed by the Skills Competition with the following contest events and corresponding winners; Image AND Graphics Design- Mr. Lemuel C. Sanches, BSIT-2 as the Champion; Animation- Mr. Manuel B. Balmores, BSIT-2 emerged as the Champion; and Computer Programming- Mr. Roberto Y. Tabuan II, BSIT-2 was also the Champion. Parlor Games and Video-oke Singing were also held as the final activities and eventually ended with a closing program. To all the students and faculty of the School of Informatics, Congratulations for a job-well-done!

The "IT Week 2011 Celebration" started with an Opening Program. Dean Romeo M. Bicad with his Opening Remarks and President Junifen F. Gauuan (above photos) while delivering his Message and cyber challenge to the IT students and faculty.

**Day 1 - Mrs. Essel T. Cañaberal, the first seminar speaker from Saint Mary's University lectured on "Object Oriented Programming" (right photo with Dean Romeo M. Bicaad). Mr. Luther A. Tambaoan, IT Instructor (below left photo), presented a video of what happened in last year's "IT Celebration." After the lecture (below right photo), the IT students had their "hands-on" at Computer Laboratory 1.**

Day 2 – The IT students (above photo), while listening to the lecture of Ms. Dianne A. Bangloy, another speaker from Saint Mary's University on "Current Trends in IT, Research, and Development." On Day 3 – Mr. Pink Euria L. Montano, our very own Programmer and IT Instructor (below right photo) lectured on "Wireless Computing and Control."

**Mr. Sean Bracebridge (above left photo), another speaker from SMU lectured on “Visual C++. NET,” after which a workshop was held at Computer Laboratory 1. (Below photos) Day 4 – Mrs. Essel T. Cañaberal lectured on “Computer Networking and Basic Configuration” after which a workshop or “computer hands on” was also held at Computer Laboratory 1.**
