SCHOOL OF BUSINESS AND ACCOUNTANCY

“CONTINUING THE GREEN ADVOCACY”

A TREE PLANTING ACTIVITY

As an answer to the call to protect and preserve Mother Earth, the National Federation of Junior Philippine Institute of Accountants – Region 2 Council organized a Regional Tree Planting Activity with the theme “Continuing the Green Advocacy” that was held in three different destinations in Region 2, namely: Nueva Vizcaya, Isabela and Cagayan. The members of the Junior Philippine Institute of Accountants Local Chapter of Aldersgate College, together with the management students and other JPIAns from neighboring schools, joined hand in hand to pursue

the said goal. There were 58 students from Aldersgate College who united in this event last August 15, 2010 at the Jamboree Site, Masoc, Bayombong, Nueva Vizcaya. They were accompanied by their supportive dean, Mrs. Cecilia B. Valdez, CPA and the JPIA Adviser, Dr. Leopoldo A. Valdez, CPA. Each student was given a seedling to be planted at the site assigned for them. Notwithstanding the heat of the sun, the volunteers cleaned the place and planted the seedlings. After this, the students and the teachers have their simple snack to celebrate the success of the tree planting activity.

With this kind of activity, students become aware of what they can do to help solve the problem of the country especially in the destruction of the environment. They experienced simple things that can be of great help in the society.
